

COMMUNITY ACTIVITY BOX!

Activities for YOU to use in your community

What is the Community Activity Box?

The Community Activity Box is a resource area for Community Leaders to get activities and contest ideas to use in your own Communities!

We know how hard it can be to keep your local players engaged and excited on event days, so we will provide some resources for you to use or tweak for your events.

Community Leaders are not required to use any of these ideas, they are resources to use if needed.

The resources will be for people of all ages, we want every member of your local community to look forward to meeting up and enjoying your events!

A few things to remember if holding contests:

If you choose to hold contests and award prizes for any of the resources we provide, those prizes will have to be provided by your Community Leaders/donations from local businesses or players.

Make sure you have a way to contact your players if they do win a contest.

Make it clear how to enter the competition, and where the players post their entry, be it Discord, Twitter, Telegram etc.

If there is a deadline include that in the initial post.

Do you have fun & unique activities that you do for your Community? We want to hear them! Please email **team@thesilphroad.com** with the Subject of Community Activity Box or CAB. If your Community's ideas are used in a future CAB, your Community will get a shoutout for sharing the idea!
